

PLACE IN TOP SIX IS TARGET

FOOTBALL returns tomorrow, and Wycombe Wanderers' Mike Keen is ready to face the challenge of his first full season as manager.

Mike, who replaced Andy Williams last year, says his aim is to get Wycombe into the top six of their league, the Isthmian premier division.

"Pre-season prepar-

ations have gone quite well," he said. "But a big improvement is still needed.

"Some players have been on holiday so it has been difficult to get a settled team together."

The side has been strengthened by the arrival of £900 signing Terry Glynn from Enfield.

And defender Bobby Davis has returned to Wycombe after an 18-month break from football.

"I'm quite happy with the squad at the moment, but obviously you're always on the lookout for new talent to improve it," said Mike.

Mike was this week deciding on his team for the opening game of the season, against Leytonstone and Ilford, home.

He said: "The players who did well at the end of last season will be given a chance."

Meanwhile, a number of local

youngsters have been recruited for the Wanderers' new reserve side, which will play in the Suburban League.

Mike hopes the second eleven will become a source of new playing talent."

"The reserve league will consist mainly of youngsters aged from 16 to 20 from the Wycombe area," he said.
